

# Assessment Strategies

---

**Course Overview** Assessment needs to go beyond paper and pencil tests that are completed at the end of a unit. Becoming a master teacher means knowing what and how your students are thinking as they interact with new content, standards and strategies. Learn the critical difference between “assessment for learning” and “assessment of learning”. This 5 hour course will deepen your understanding of formative assessments, demonstrate various ways to quickly check for comprehension and explain how to involve students in self-assessing.

## Objectives

- Gain a clear definition of assessment for learning
- Learn new formative assessment strategies

5. Summary *(20 min)*

"If you can both listen to children and accept their answers not as things to just be judged right or wrong but as pieces of information which may reveal what the child is thinking, you will have taken a giant step toward becoming a master teacher, rather than merely a disseminator of information." -Easley & Zwoyer, 1975

**Resources** This self-paced course includes a combination of

- Streaming video and assignments from Educational Impact's (EI) [online academy](#)\*
- Non-EI video from other educational websites and video sources
- Reading materials and articles
- Personal reflections and independent writing activities
- Other performance tasks designed to extend professional learning into professional practice.
- Group discussion boards (If this course is taken with colleagues in a professional learning community or other group environment)

**Note\*** [EI Online Academy](#): This course requires you to view specific video segments from the EI Online Academy. However the **FULL** EI Online Academy is also available to you to extend your professional growth. The EI Online Academy offers access to over 400 hours of streaming video and features leading educational experts and hundreds of real classroom examples. It also includes a personal learning plan tool (PLP) and video search engine to help you target areas of specific need or interest. Even though the EI video assignments in this course are limited to content specifically related to assessment, please feel free to expand your learning through the unlimited use of ALL of the resources in the EI Online Academy.

**Assignments:** Throughout this course you will work through a series of assignments designed to enhance your understanding of new knowledge and skills. In some cases you will be encouraged to post to your private online notebook for personal reflection. In other cases you will be asked to post to the EI instructor journal or discussion board.

- **Instructor Journal:** Instructor Journal assignment is a 1:1 discussion between you and your instructor/group leader. These postings will be cumulative and serve as an ongoing portfolio of work related to this course. Your instructor/group leader can view your responses and can comment on any of your postings. Your instructor's postings will appear inside of the Instructor Journal. If there are other learners in your group, they are NOT able to view these entries.
- **Discussion Board:** Lastly, there will be times when you are asked to post to a threaded group discussion board. The group discussion board will provide all of the learners in your group or class with opportunities for discussion,

collaboration, reflection, and in certain cases peer review within their group or PLC. There will be different discussion boards created for different topics. Be sure to post to the correct discussion board... as assigned by your instructor. Leave an insightful comment and add to the thread to maintain interaction and build collaboration.

- **Reading/Writing/General Assignments:** These assignments can include an attached URL or file. Writing and General assignments also include a text box for you to provide a written response.
- **Assessments:** When whole modules of EI video are assigned, the corresponding multiple choice assessment will be included. This 20 question assessment is specific to the EI video content presented. In order to pass the assessment, you must achieve 80% (16/20). If you do not pass the assessment, you can try again. When you are successful, the EI system will mark the assessment as complete and you can access a certificate of completion.
